AG3 Guy uncensor and Haircut

Thanks goes to the Japanese modders that made these mods.
They were found on upervolta, and were two separate mods, but I combined them into one.

upjs3mod0186 is the source of the Haircut
upjs3mod0138 is the source of the uncensor

Don't know the name of the author of the hair mod, but the uncensor author's name is Bokka.

Thanks and all praise go to them. I take no credit in this mod other then putting them together and making them Wizzard friendly.

As always, ENJOY!
